

NAB CAR THIEVES
Two Lomita youths, aged 15 and 14, were interrupted on a trip to the beach Monday when deputy sheriffs nabbed them for allegedly stealing the car they were driving from a plumbing business at 1927 Pacific Coast highway.

Six Torrance CSF Students at Meet
Six members of the California Scholarship Federation from Torrance High School will be among 700 top young scholars in Southern California at meet at the University of California, Santa Barbara College, on Saturday for the annual regional conference of the organization. The high school chapter adviser is Mrs. Alice Hammond. The UC seashore campus will play host to 75 high school CSF chapters on this occasion.

Supervisor Hahn Calls for Immediate Construction of Harbor Freeway Link
Early construction of the Harbor freeway between 124th and 190th streets is urgently needed to provide the people of the southwest and south bay areas with relief from traffic congestion, Supervisor Kenneth Hahn declared this week as he requested that the project be advertised for bids at the earliest possible date. "In view of the serious problem of traffic congestion in the southwest part of Los Angeles County, I urge you to advertise for bids on this vital project at the earliest possible date for the benefit of the motoring public," Hahn stated in his letter to Gillis. His campaign for the project has been strongly supported by members of the Inter-Cities Highway Committee, public officials, civic leaders and chambers of commerce of the southwest and south bay sections of the county. A contingent of 40 went with Supervisor Hahn to Sacramento last August to urge the State Highway Commission to provide funds for extending the freeway to 190th street. As a result \$5,700,000 has been allocated to the project, which will complete five additional miles of the Harbor freeway, which is now nearing completion between 82nd and 124th streets. Project has been urged in resolutions adopted by the Gardena Chamber of Commerce, Gardena City Council, Torrance Chamber of Commerce, Torrance City Council, Harbor Districts Chamber of Commerce, the Compton City Council and the 21st Dis-

Ribbon Cutting Opens New Jim Dandy Market
A ribbon-cutting ceremony today at 8:30 a. m. will open the new Jim Dandy market at Hawthorne and Sepulveda Blvds. The tape will be snipped by Mickey Frankenberg, division manager of the chain, with Mayor Iesen, Sharon Starns, Miss Torrance; Bonnie Brown, Miss Lomita; Councilman Nicholas O. Dralle, and O. R. Trueblood, president of the Torrance Chamber of Commerce, present. The ceremonies will feature "Bonnie," a famous quarter-horse owned by Mrs. Alice Thomas of Torrance.

Hope for Clues in Inquest

Torrance police counted on an inquest scheduled today to aid their investigation into the death of Mrs. Priscilla Young, 37, noted clubwoman. Mrs. Young, of Wilmington, died March 31 in the home of Mrs. Mary Strong, a practical nurse of 2216 W. 238th place. An autopsy report said that death was due to an abortion and a heart condition. "We are still continuing our investigation," Capt. Ernest Ashton of the Torrance Police Department said.

Mrs. Strong told police that Mrs. Young, whom she described as an old friend, had come to her house on the evening of March 30 and that she found her dead on the floor the following morning. Mrs. Young, owner of a restaurant and mother of four children, was active in Torrance women's organizations. Mrs. Strong will be one of the witnesses to be called at the in-

quest, which was slated for 9 a. m. today in the coroner's office, Ashton said.
